Statement of Exemption
2023 – 2024
Every Student Succeeds Act (ESSA)

Title I, Part A Supplement, Not Supplant (SNS) Compliance Requirement

Under ESSA Title I, Part A, the LEA must either demonstrate a valid SNS Methodology that is used to allocate State and Local funds to campuses or have a Statement of Exemption.

Title I, Part Statute: Section 1118(b)(1)

All LEAs shall use Federal funds received under this part only to supplement the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under this part, and not to supplant such funds.

Guidance and Exemptions

Based on guidance from the US Department of Education, LEAs that meet one of the situations described in the Statement of Exemption section, below, will not be required to demonstrate a methodology for allocating its State and local funds to its campuses in order to comply with the SNS Mythology requirement for Title I, Part A. The situations described below resulted in Title I neutral situations regarding campus allocations. Therefore, the SNS requirements at the campus level is met for Title I, Part A purposes, as long as the LEA provides enough State and local resources to its campus(es) to provide a free, public education in the absence of Title I, Part A funds. Title I, Part A funds that are reserved at the LEA level must be used only for Title I, Part A purposes, as indicated in the LEA's approved ESSA Consolidated Federal Grant Application.

Statement of Exemption

The LEA, named above, will not be required to demonstrate a methodology for allocating its State and local funds for the reason indicated, below:
